RAMBO - IV ; Wonderful Movie. John Rambo Returns with a Good Movie. Although this movie has had the least action compare to other movies of Rambo Series but It is good. Cast: Sylvester Stallone, Julie Benz Direction: Sylvester Stallone Vietnam war veteran John Rambo returns on a rescue mission, this time in Myanmar, and spills guts in all his former glory. If you pay close attention, you can even catch a head been blown away, a body splitting into two and a stomach being sliced to bring out the insides. Based on the current political situation of Burma and inhuman activities of Burman Government Foreces.
